

Glue Spots™ Applications

Can be used on Sample Packets, Business Cards, Membership Cards, Product Inserts, Coupons, Business Reply Cards and many other items.

Super High Tack / High Tack / Low Tack

Adhesive Dots are available in Thin and Thick profiles and each profile is offered in:

[Low Tack](#) (Easily removes from any surface)

[High Tack](#) (Good bonding, but removable)

[Super High Tack](#) (Excellent bond on most surfaces)

The Adhesive Dots have a diameter of 9mm, a thickness of 0.5mm, and are available in a dispenser box of 7000 & 2000 & 1500.

Packaging and Display

Can hold many different items in place for packaging and display. Round items will stay in place while travelling down conveyors and through shrink wrap machines. Adhesive Dots will hold paper labels in place for retail display yet allows easy removal by the customer.

Adhesive Dots also keep items in place in gift boxes and products together in packaging. Safe for even indirect food contact to FDA standards, with fast product assembly, even for small items.

Detailed Info - Super High Tack / High Tack / Low Tack

Glue Spots™ are available in Thin and Thick profiles and each profile is offered in:

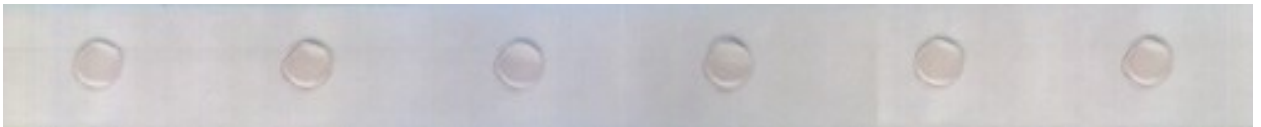

[Low Tack](#) (Easily removes from any surface)

[High Tack](#) (Good bonding, but removable)

[Super High Tack](#) (Excellent bond on most surfaces)

Adhesive Dots General Technical Information

	Diameter	Approximate Thickness	Roll Size	Qualities	Selected Uses
Low Tack	9mm	0.5mm	7000 dots	Fair holding ability, will not tear paper when removed and pulls apart easily	Adhering items to mailers or small items for packing where paper tearing needs to be prevented
High Tack	9mm	0.5mm	7000 dots	Good holding ability, may tear some paper fibres and pulls apart relatively easily.	Packaging needs where good hold is required. Gift packaging, adhering items to glossy paper in mailing.
Super High Tack	9mm	0.5mm	7000 dots	Very good holding ability, will tear some paper fibres.	Packaging needs where excellent holding ability is required and paper tearing is not a concern. Craft projects.
